Subject: Navy and Northrop Grumman's prioritized activities for the regional plume activities/ actions

Good morning Steve - I have a copy of a summary from a Jan 15, 2013 meeting among the Navy and Northrop-Grumman. My understanding is that the meeting was held to develop a prioritized schedule of Bethpage regional plume activities/ actions, as a followup to the November 29, 2012 meeting in NYC with EPA and NYSDEC. When you have the chance, please drop me a line regarding any status update that you may know of regarding these activities.

Thanks,
-Carol-
